3. What is rational behind TBLT?

* As students seek to complete a task, they have to work to _____ each other and to express their own _____ . By doing so, they have to check to see if they have _____ correctly, and at times, they have to seek _____ .

* TBLT is another example of the " _____ " of CLT (communicative language teaching), where language is acquired through _____ (learning to use the language for communication).

strong version thoughts comprehended use clarification understand

4.

What are communicative tasks?

What are "input enhancement" and "input flooding," and their functions?

利用配對題目以及填空題來讓學生能夠更熟悉 TBLT 的學習單內容。學生只需要登入自己校務系統的 Google 帳號，老師即可追蹤作答情況。
